Tired of digging through SEO-stuffed blogs and outdated PDFs just to answer one question?

If you're a student, you're in luck: you can now get **Perplexity Pro for FREE** — no credit card, no catch — through my referral link.

The screenshot shows the Perplexity Pro interface on a dark background. At the top, the text 'perplexity pro' is displayed in a light blue, sans-serif font. Below this is a large, rounded rectangular input box with a light gray border. Inside the box, the placeholder text 'Ask anything or @mention a Space' is visible. At the bottom of the input box, there are several icons: a magnifying glass (search), a document with a checkmark (checklist), a lightbulb (idea), a globe (world), a link icon, a microphone, and a blue button with a white waveform icon (voice search).
